AMENDMENT IN RESPONSE TO FINAL REJECTION

In response to the final rejection mailed July 13, 1998, please amend the above-referenced patent application as follows:

In the Claims:

Please amend claim 1 as follows:

1. (Twice Amended) A device for retaining a prosthesis within a body passage [having a diameter] comprising [a substantially] an annular, resilient element, [said element being movable between an undeformed state wherein said element has having an undeformed diameter greater than the diameter of said body passage, and a deformed state wherein said element is partially folded and has a diameter smaller than when in said undeformed state, said element being in said deformed state when retaining said prosthesis in said body passage] wherein said element is formed by overlapping a plurality of windings of wire around a common core and connecting the windings together to form a bundle.

Claim 5, line 1 delete "4" and insert in lieu thereof --1--.

Please amend claim 12 as follows:

Date of Deposit: September 3, 1998
I hereby certify under 37 CFR 1.8(a) that this correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage on the date indicated above and is addressed to the Assistant Commissioner for Patents, Washington, DC 20231.
